

Welcome to the 36th edition of 'AMES High', which aims to keep you, our customers and suppliers informed about major changes and developments at AMES in the Design, Production and CAMO fields.

New Products

We are constantly increasing our product portfolio for various aircraft types and designs. Latest addition of our AMES products is the Boeing 737 BSI Under-bin Closet, our newest product for BSI passenger cabins. Movable Class Dividers, Windscreens and Partitions, curtain systems as well as half-height stowages are already part of our AMES product portfolio.

New Services

The first transition of two Airbus Neo aircraft managed by our CAMO. AMES CAMO is currently managing two A321neo on behalf of our customer GECAS. We are happy to offer our efficient A320neo family transition service to all of our customers. For further enquiries please contact us on camoservices@ames.co.at.

Increased capacity and new members of the AMES Ireland family

Jason Kirby has joined the AMES Ireland Part 21 team and after the initial training he will support the DOA team. With our new colleagues Steven Williams and Niall Fanning supporting our AMES CAMO team, we have now a total of six full time employees in our Dublin Office, covering all our services and focusing on our Irish customers.

We wish you
a Merry Christmas
and a successful
New Year

Lead Time and Process Improvements in Engineering and Production

Always striving for the world best turnaround times for our customers, AMES continuously enhance the internal, EASA approved DOA and POA processes. AMES is happy to offer the shortest lead times in the market for total packages of engineering and productions services for your cabin conversions or retrofit programs.

Please check us out and send your request for DOA and interior parts packages to services@ames.co.at
